

TWINNING

« Trébeurden / Newton Ferrers
& Noss Mayo »

**A STRATEGIC, AMBITIOUS, DYNAMIC, RICH AND STRONG PROJECT.
SHARED AND DECIDED ON BOTH SIDES OF THE CHANNEL, IT IS ALREADY A FACT .
IN 2010, IT WILL BE INCLUDED IN THE RICH FACTUAL SUMMER CALENDAR FROM :
THE THIRD TREGOR CLASSIQUE SAILING RACE (JUNE 4th / 5th/6th)
TO : TREBEURDEN ANNEES FOLLES (THE MAD TWENTIES) THE LAST WEEK OF AUGUST.**

FOR ALL THE ECONOMIC ENTREPRENEURS ESTABLISHED IN TREBEURDEN AND LE TREGOR

A partnership meant to last and whose consequences are promising for everyone.

-The sea is our immediate environment and the twinning association enriches, in a natural way, our economic development, our tourism, our culture and our patrimony.

-The various exchanges which will eventually take place are bound to improve the various activities in the range of education, languages, sports ,culture ,art and tourism .

THE TWINNING PROJECT « TREBEURDEN / NEWTON FERRERS & NOSS MAYO

-A new federative project turned towards Europe in 2010, after the project with Italy in 2000 .

-A transverse project, as well as a project including all generations, which increases the relationship between our associations , while strengthening our social link.

-At last , a project which has emerged in less than 3 months , thanks to the enthusiasm , the mobilization and the involvement of the Trébeurdinains .

The high level of accuracy of the managing team, of the members of the association as well as of Trébeurden « Commune » have been recognized.

All along our various tasks, since January 9th, the pertinence and rigour of the preparatory phase ,which has become operational , have convinced .

-The exceptional opportunity to amplify and perpetuate lasting links of friendship and brotherhood with our Devon friends, lies harmoniously on a double proximity:

- Geographically: A small town close to Plymouth , nestled in the river Yealm estuary ,190 kilometres from Trébeurden .

- Long lasting links: the signing ceremony on our side will take place on the same weekend as the celebrations for Race's 20th anniversary. The signing ceremony will take place in Yealm in 2011.

THE TWINNING PROCESS : **A REALISTIC AND PRAGMATIC APPROACH**

1.AIM.

- SHORT – TERM PLANS (until summer 2010)

-Projects on a small scale to establish the first links between the inhabitants and start our relationship : identify the common and shared priorities .

- LONG -RANGE PLANS (2010 towards 2011)

- Start friendly exchanges in various fields such as clubs, societies, private people, and economic entrepreneurs.
- Create, urge, and seize the opportunities linked with exceptional or regular events in Trebeurden or Newton Ferrers and Noss Mayo.

2 . UP TO NOW.

-The twinning has been confirmed and ratified by Newton Ferrers and Noss Mayo Parish Council and Trebeurden Town Council.

-The Twinning Association was created on January 23rd 2010.

-The latest Town Council, (on March 12th) has appointed, besides the mayor, three councillors who will sit at the Executive Committee.

-A first visit will take place in Yealm. A date should soon be found .

It will enable Mr Le Maire, the Town Councillors and the Committee delegates to meet the Yealm Parish Council and the members of the Twinning Association and prepare the signing ceremony on our side on Race's 20th Anniversary.

-It will also allow the French delegates to launch some projects for 2010 .2011 .

-Moreover, groups will meet before Summer and later in the year, in order to define projects and achieve them together .

-Finally, we have already been working on the possibility of getting European funding around 2 programmes :

« EUROPE FOR CITIZENS » AND « INTER REGIONS CHANNEL SPACE »

The main lines concern the sharing of activities in Education, Culture, Patrimony, the establishment of a partnership for the development of both Economy and Tourism, young people's jobs , as well as the promotion of coastal activities and water sports ...

A first preparatory meeting took place on March 17th with the contribution of the Conseil General and Anticipa-Tregor-A.D.I.T.

- Indicate a member 's EMAIL in order to collect the applicants ' CVs . (Yealm and Trebeurden) .
- Appoint a team to introduce the applicants to the local companies (dialogue and feasibility) .
- Appoint « sponsors » each side of the Channel , in order to follow the exchange all along the summer jobs .
- Offer solutions as far as accomodation and transport are concerned (Employers or Trebeurden hosts) .

- 5 .EDUCATION / EXCHANGES / LANGUAGES.

Exchanges between Primary Schools are being developed thanks to the teachers .

- 6 .THE DEVELOPMENT OF TOURISM .

- It represents a specific target within the twinning process .
- The high standard of welcoming our guests as well as the high standard of our hotels and restaurants is a great advantage inasmuch as it diffuses over all those who deal with tourism .
- The organisation of exchanges as far as tourism (walks , car or motorbike rallies ect) , culture (thematic tours) and sports are concerned strongly contribute to reach our target .

OUR PLANS FOR THE FUTURE :FACILITATE AND DEVELOP EXCHANGES .

1 CLEAR IDENTIFICATION OF OUR PROSPECTIVE PARTNERS .

- Favour relationship between people.

- 2 LISTEN TO YOUR EXPECTATIONS AND YOUR NEEDS .

- 3 BE WILLING TO REACH OUR TARGET , BOTH SIDES OF THE CHANNEL , TO EXCHANGE ON A PARTICULAR TOPIC .

- 4 IDENTIFY AND MOBILIZE THE MAIN ACTORS OF A PROJECT .

- 5 SPECIFY VERY CLEARLY THE CONTENT , THE CALENDAR , THE BUDGET OF EACH PROJECT .

- 6 USE EMAILS FOR COMMUNICATION WITH THE VARIOUS PEOPLE CONCERNED .

- Information towards the community ;
- Press/ Medias

EXCHANGES WILL BE MADE EASY AND WELL ORGANIZED THANKS TO :

- Hosts prepared to welcome visitors, in close relationship with estate agents, hotels , the tourist office , companies , private individuals, volunteers among clubs and societies .
- Translators who can help in most projects
- Means of transport in order to discover Trebeurden and the surroundings or eventually get to the Roscoff Ferryport .

- 7 DRAW CONCLUSIONS FOR EACH PROJECT .

Quantitative and qualitative evaluation in order to enrich our promising twinning project .
